**Cheese Tasting**

Throughout the year we present a number of tasting events, hosted by our Head Chef, Anton Manganaro, celebrating the best of our artisan suppliers. The next event, which will be held on 2 May, will be a sensational tutored tasting of magnificent cheeses balanced against one of the finest sweet wines from the Loire Valley, the Coteaux du Layon St-Aubin-de-Luigne, Phillipe Delesvaux. The evening will be presented by Tom Badcock, one of Britain's foremost and most entertaining cheese specialists. Please e-mail us if you would like to receive an invitation to this event."

**The summer of all summers**

This summer 195 Piccadilly is closing its doors for the Olympic Period to become host venue to an Official Olympic Sponsor. It's an exciting time for us but don't despair, as the Hospitality Team will still be open for business as usual and are keen to hear from you if you require any space for the latter part of the year.
