

CHARLES TREMAYNE

EVP of PROGRAMMING AT CINEFLIX

Before joining Cineflix in August 2009, Emmy award winning Executive Producer Charles Tremayne was in charge of RDF's east coast production base which produced *Wife Swap* for ABC, *The Detonators* and *Arctic Roughnecks* for Discovery, *All Worked Up* for truTV, and co-produced *Fugitive Chronicles* for A&E. Prior to that, he was at Granada where he spearheaded a joint venture with The New York Times, started *Airline* on A&E, created *Room Raiders* for MTV, co-created the long-running *First 48* for A&E, and was Executive Producer of numerous other series for Discovery, TLC, HGTV, truTV, and PBS. □□Before 2000, Charles lived in Britain where he worked at the BBC and Granada, and where he was Executive Producer of the long-running current affairs series, *World in Action*, among other shows. He also oversaw the *Savage Planet* series for PBS, launched Britain's first news magazine *Tonight with Trevor McDonald*, worked on the celebrated *7 UP* series, and several award-winning documentaries.□□Charles currently spearheads all factual programming in the UK, Canada and USA and is based in the company's New York City office. Charles is currently overseeing *American Pickers*, *Canadian Pickers*, *Campus PD*, *Urban Legends*, *Nothing Personal*, *William Shatner's Weird or What?*, *Python Hunters*, *Mayday* and *Cold Blood*.
