## **About the BAFTA KIDS' VOTE**

The shortlist was derived from the top 20 children's feature films at the box office, the highest-rated children's programmes on both terrestrial and multichannel, the most visited websites created for children and the top-selling video games PEGI-rated 12+ and under. A carefully selected children's media panel then whittled those top 20s down to top 10s for children to vote on at the custom-made website [www.bafta.org/kidsvote](http://www.bafta.org/kidsvote). Voting went live today.
